

Mass Intention Envelopes

(funerals, memorials, anniversaries or other special intentions)

The parish now has Mass intention envelopes available in the back of church for requesting Masses to be celebrated for a variety of occasions. After completing the information on the envelope (see above – is an actual image of the envelope) please either give them to Fr. Larry or bring them to the rectory office so the Mass can be scheduled on our master calendar. The suggested offering stipend for each Mass is \$10.00. **Please do not place these envelopes in the regular church collection basket, as we will not see them and the Mass may not get scheduled properly.**
